Empower homeless children for success through the Children's Champion Club.

Children need adults who care and are willing to help them overcome challenges and succeed in life. The Children's Champion Club offers individuals, companies and faith communities an easy and automatic way to provide the help homeless children need throughout the year. Your monthly gift pledge of \$25 or more will be used to provide the warm beds, nutritious meals, counseling and help children need to recover from the crisis of homelessness and succeed in school and life. You can be a champion to a child in need by helping them overcome the many challenges they face.

Your pledge will appear on your credit card statement each month, making it easy to see the support you are providing to children in need. As a Children's Champion Club member, you'll receive a thank you card from the children as well as a yearly thank you letter with your tax receipt.

Yes, I want to join the Children's Champion Club to support and expand the successful programs and services of Family Gateway. I know my monthly gift will help Family Gateway meet the special needs of homeless children and empower them for success.
